

Performing Arts (Ferguson Career Launcher (Hardcover))

From starring in a Broadway musical to playing an instrument in a world-renowned orchestra or directing a cutting-edge play, there are many glamorous performing arts jobs. Professional opportunities in the performing arts, however, go far beyond what is seen onstage. Behind every great performance is a group of hard workers who manage everything from props and equipment to ticket sales to contracts and legal requirements, making it possible for almost anyone interested in performing arts to have a rewarding career regardless of their onstage talent potential.
