

Dark Shadows/Vampirella #2

Investigating a series of brutal murders of young women in NYC, Vampirella and Barnabas Collins (with some side assistance from werewolf Quentin Collins and shape-shifter Pantha) join forces to stop the bloodshed! But, can Barnabas and Vampirella stay one step ahead of both the sadistic Lady Bathory and the NYPD? Is the combined might of our vampire heroes enough to save the innocent girls? Or will they have enough trouble just saving themselves?
