

Barbie: VISUAL GUIDE TO THE ULTIMATE FASHION DOLL

The ultimate dream book about the ultimate dream doll. Trace the history of Barbie from her beginning in 1959 through her meteoric rise in popularity during the 60s to her place on the world stage as a jet-setting multicultural fashion icon. Beautifully illustrated, this book follows Barbie through five decades of changing styles. Special sections take a close look at Barbies friends, as well as her many accessories and how they changed to reflect the times. Specially-commissioned set designs are stunningly photographed and offer a wide variety of detailed scenes of Barbies fun-loving world. From the Swinging Sixties through the disco years and into the next millennium, Barbie epitomizes style and glamour.
