

## Table Titans Volume 1: First Encounters

The Winotaur, gaming's greatest prize, is up for grabs, and the Table Titans intend to win it! Join Val, Alan, Andrew, and newcomer Darby as they embark on adventures, both at and away from the table, in their quest for gaming glory. All that stands between the Titans and the Winotaur is a new Dungeon Master, a rival gaming group, and their own insecurities. The world's mightiest adventurers just rolled initiative on their First Encounter! A terrible beast is plaguing the City of Haverford. Citizens are going missing nightly, the garrison is lost, and help is out of reach. Can the Table Titans put aside their pride to save the fictional town of Haverford—and in the process, their friendships? Table Titans Volume 1: First Encounters collects the first year of the hit online comic from Eisner and Harvey Award winning cartoonist, Scott Kurtz. It is a spin-off of Kurtz's other webcomic, PvP. It chronicles their adventures of playing Dungeons & Dragons (D&D). D&D publisher, Wizards of the Coast, have partnered with Kurtz so that Table Titans can feature official D&D products.
