

Creating Lovely Paper-Flower Dolls: Using Kusudama Folding Techniques To Make 3-D Paper Figures

With full-color and black-and-white photographs, diagrams and detailed instructions, the authors show readers how to create charming, 3-dimensional figures by combining individual, petal-shaped folded paper pieces. Here are clowns, angels, bunny rabbits, elegant ladies in fashionable dress, brides and bridesmaids, Japanese women in traditional costume, even Santa Claus and a decorated Christmas tree-55 figures in total, all of which can be made with just basic origami skills.
