

I AM RICH

As a man thinks in his heart so is he, your words can shape or destroy your life. What you say; you create, it is formed and have its existence. This book will help you think riches, speak riches, create riches and form riches, for you're not poor but rich. Declare it and it'll be established for you. Your business and career is waiting for the seed from your mouth to give you harvest. Plant the seed and God will provide it with its own proper body, and the beauty that belongs to it.
