

The Final Curtain a Love Story Untold

Dear friends, A Message seen by Millions but Misread by ALL has been found well Hidden for more than 35 years at Elvis Presleys home in Memphis Tennessee. It has been Discovered and now Deciphered. This Mysterious Message contains a Key which when used properly will open a door revealing one Lonely Candle Burning in a Darkened Room. This Candle sheds much light on what is Hidden in that room. But be Careful for too much Light can be Blinding.....What is seen? Well perhaps This will help. That Message is from Elvis as He speaks to us From The Grave.. Yes by One Lonely Candle Burning in a Darkened Room one is able See what is Truth and THAT TRUTH is Mind Blowing....Yes it encompasses a Message of Love Untold and now through this book is being revealed. No one at Graceland admits knowing, in fact they say its unknown as to its message. I have deciphered it and it Truly is a Blockbuster of a Message by Elvis Presley, it is time to Reveal this to the public and the millions of fans...it is a Final Message of Love Untold, until now... I want no notoriety and so I give this Gift of Understanding anonymously...I therefore Remain as friendfromyesteryear
