

Louie The Rune Solider Volume 3 (Louie the Rune Soldier)

Ila receives news of a monk who has developed a magical technique that will allow him to control the weather. The Elves in the forest of Tartious are experiencing bizarre weather, which makes life miserable in the forest. Selesia comes to Louie and his group for help. Louie and the other three, Selesia, Ila, and their new mascot, Ale, set off to settle the monks hash-but first they have to deal with the monks golem! In the second half of the volume, Louie and the others meet a little girl, Muriel, who is the daughter of a wealthy businessman in town. She has run away from her father because he has arranged a marriage for her. Merrill comes up with a plan to make the father annul the marriage, but it unfortunately leads to Louie taking the would-be grooms place!
