

## Joshua- Everymans Bible Commentary: Rest-Land Won (Everymans Bible Commentaries)

This practical analysis of Joshua provides an accurate, concise commentary on Israel's conquest of the Promised Land. Also, a helpful parallel is drawn between the events under Joshua's leadership and the principles of Christianity outlined in the New Testament. Written in a simple, non-technical style, this articulate commentary includes maps, charts, outlines, footnotes, and a valuable bibliography. This is an extremely helpful book that aids in understanding of the entire book of Joshua and its spiritual application to faith today.
