

Airborne Birds, Butterflies, and Balloons Grayscale Adult Coloring Book: Grayscale Coloring Beginner to Intermediate

Airborne-Birds, Butterflies, and Balloons is for beginner to intermediate colorists. There are different levels of shading, line structure, and images for everyone. Features of the book are; 28 full coloring pages with varying shades of gray. This is a square book with 8.5 x 8.5 pages. Coloring pages are one sided. The pages are easy to medium in detail. All of the pages have titles to give you an idea of what you will be coloring. Wide array of pictures with lace and satin back rounds for texture. You can choose to color or leave the back rounds as they are. Four fun pages at the end of the book for beginners or children. Color simple line drawing pictures and then color the same page in grayscale. Compare the two for learning. Don't be intimidated by grayscale coloring. The gray is there to color over. Whether the gray is dark, light, or any varying shade just color and enjoy. You can relax with the coloring book for your own pleasure. Or color with your child while you both learn together.
