

Get Paid To Do What You Love!: Designing The Career & The Life That Youve Always Wanted

Imagine having a career that matches your personality and desires so closely, that it would be hard to believe you were put on earth to do anything else. The kind of job that makes you jump out of bed on Monday morning ready to take on the world. Having a career like that is just a daydream, right? Wrong! Millions of people live that life every day. And most of them have one thing in common. They just always knew what they wanted to do, as if they had an onboard compass showing them the way. Its too bad most people dont have this kind of internal directional system. Or do we? In *Get Paid To Do What You Love*, well show you how to dust off your onboard compass and put it to work for you, to uncover your inborn talents and dreams and turn them into a brand new career, business and focus for a life full of passion and purpose.
