

The Art of Bookbinding

Originally published in 1880 this early work on book binding is a comprehensive and informative look at the subject. The contents are extensively illustrated, The information on book binding makes for absorbing reading throughout. Many of the earliest books, particularly those dating back to 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original artwork and text.
