

## Dead Blood

Three meteor rocks crash-land in the rural township of Hartford. Jack Razer, a year twelve student, is the only witness to the blazing spectacle. The impregnable looking rocks implode, dissolving into a glutinous, black liquid. Utilizing their uncanny ability to inhabit any creature as a host, the malleable, chameleon-like beings seek out the most advanced life form on planet earths food-chain the human. Although akin to demi-gods, their determination to attain universal domination has destroyed their own planet. Its few remaining survivors know that planet earth is their one hope to procreate and spread their glorious life-essence. Jack must fight to not only save his friends from a relentless entity, but also fight for his own sanity - for Jack experiences recurring nightmares of his dead mother - she warns her son of the coming of a powerful enemy. They have arrived Evil walks this town Their agenda is set Jacks resilience is truly tested when he loses his girlfriend to the sinister intentions of the aliens. Inhabiting her body, they use her to lead their battle against the students of Hartford High, and the hapless citizens of the township.
